Financial Policy

In order to help you determine your responsibility toward payment for services, please read the following and initial your preference for the method of payment for your account. Please notify this office if the status of your insurance changes.

Initial an option and write the corresponding letter in the blank below.

Private pay, no insurance:

A _____ As I have no insurance, I agree to assume all responsibility and to keep my account current by paying for services when they are rendered. As allowed by Oregon state law, I am requesting a "Time of Service Discount" when I pay for my services on the same day that services are performed.

Private pay, patient filing own claims:

B _____ I have insurance, but I wish to file my claims personally, and I agree to assume all responsibility and to keep my account current by paying for each visit at the time services are rendered. As allowed by Oregon state law, I am requesting a "Time of Service Discount" when I pay for my services on the same day that services are performed. I am requesting a "Super Bill" be provided to me which includes the diagnosis so that I can submit a claim to my insurance company.

Health or auto insurance:

C _____ I would like Flock Chiropractic to bill my auto insurance claim or health insurance. I understand that I am responsible for the costs of treatment, should my insurance company deny coverage for the claim submitted on my behalf. I acknowledge that it is my responsibility to find out whether my insurance covers all services rendered. I understand that if I let the office know which services are not covered by my health insurance, I will be eligible to pay the "Time of Service" discount for those services. I understand that I will be required to pay all co-pays or co-insurance percentages as stated in my insurance plan contract.

By my signature, I request option _____ as the method by which I will pay for my services performed in this clinic.

I am aware of the office's no show and 24-hour cancellation policy and understand that I will be charged a fee of \$50 for missing an appointment without giving 24 hours notice.

Signature

Acknowledgements To set clear expectations, improve communications and help you get the best results in the shortest

Initials

_____ I grant permission to be called to confirm or reschedule appointments and to be sent occasional cards, letters, emails or health information as an extension of my care in this office.

_____ To the best of my ability, the information I have supplied is complete and truthful. I have not misrepresented the presence, severity or cause of my health concern.

Informed Consent to Treatment

I hereby request and consent to the performance of chiropractic adjustments and other chiropractic procedures, including various modes of physical therapy, on me (or on the patient named below, for whom I am legally responsible) by Dr. Gail Y. Flock, D.C.

I have had an opportunity to discuss with the doctor of chiropractic named above and/or with other office or clinic personnel the nature and purpose of chiropractic adjustments and other procedures. I understand that results are not guaranteed.

I understand and am informed that, as in the practice of medicine, in the practice of chiropractic there are some risks to treatment, including but not limited to fractures, disc injuries, strokes, dislocations and sprains. I do not expect the doctor to be able to anticipate and explain all risks and complications, and I wish to rely upon the doctor to exercise judgment during the course of the procedure which the doctor feels at the time, based upon the facts then known to her, is in my best interest.

I have read, or have had read to me, the above consent. I have also had an opportunity to ask questions about its content, and by signing below I agree to the above-named procedures. I intend this consent form to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment.

Neck Disability Index Questionnaire

This questionnaire is designed to help us better understand how your neck pain affects your ability to life activities. Please mark the one that most closely describes your situation **right now**.

Name: _____ Date: _____

Pain Intensity

- I have no pain at the moment.
- The pain is very mild at the moment.
- The pain is moderate at the moment.
- The pain is fairly severe at the moment.
- The pain is very severe at the moment.
- The pain is the worst imaginable at the moment.

Reading

- I can read as much as I want with no neck pain.
- I can read as much as I want with slight neck pain.
- I can read as much as I want with moderate neck pain.
- I can't read as much as I want because of moderate neck pain.
- I can't read as much as I want because of severe neck pain.
- I can't read at all because of the pain.

Concentration

- I can concentrate fully without difficulty.
- I can concentrate fully with slight difficulty.
- I have a fair degree of difficulty concentrating.
- I have a lot of difficulty concentrating.
- I have a great deal of difficulty concentrating.
- I can't concentrate at all.

Work

- I can do as much work as I want.
- I can only do my usual work, but no more.
- I can do most of my usual work, but no more.
- I can't do my usual work.
- I can hardly do any work at all.
- I can't do any work at all.

Personal Care

- I can look after myself normally without causing extra pain.
- I can look after myself normally, but it causes extra pain.
- It is painful to look after myself, and I am slow and careful.
- I need some help but manage most of my personal care.
- I need help every day in most aspects of self care.
- I do not get dressed. I wash with difficulty and stay in bed.

Sleeping

- I have no trouble sleeping.
- My sleep is slightly disturbed for less than 1 hour.
- My sleep is mildly disturbed for up to 1-2 hours.
- My sleep is moderately disturbed for up to 2-3 hours.
- My sleep is greatly disturbed for up to 3-5 hours.
- My sleep is completely disturbed for up to 5-7 hours.

Lifting

- I can lift heavy objects without causing extra pain.
- I can lift heavy weights, but it gives me extra pain.
- Pain prevents me from lifting heavy weights off the floor but I can manage if items are conveniently positioned (e.g. on a table).
- Pain prevents me from lifting heavy weights, but I can manage light weights if they are conveniently positioned.
- I can lift only very light weights.
- I cannot lift or carry anything at all.

Recreation

- I have no neck pain during all recreational activities.
- I have some neck pain with all recreational activities.
- I have some neck pain with a few recreational activities.
- I have neck pain with most recreational activities.
- I can hardly do recreational activities due to neck pain.
- I can't do any recreational activities due to neck pain.

Back Pain Index Questionnaire

This form is designed to help us better understand how your back pain affects your ability to manage everyday life activities. Please mark the one that most closely describes your situation **today**.

Name: _____

Date: _____

Pain Intensity

- The pain comes and goes and is very mild.
- The pain is mild and does not vary much.
- The pain comes and goes and is moderate.
- The pain is moderate and does not vary much.
- The pain comes and goes and is severe.
- The pain is severe and does not vary much.

Sitting

- I can sit in any chair as long as I like.
- I can only sit in my favorite chair as long as I like.
- Pain prevents me from sitting more than 1 hour.
- Pain prevents me from sitting more than 30 min.
- Pain prevents me from sitting more than 10 min.
- I avoid sitting because it increases pain immediately.

Standing

- I can stand as long as I want without pain.
- I have some pain while standing but it does not increase with time.
- I cannot stand longer than 1 hour without increasing pain.
- I cannot stand longer than 30 min without increasing pain.
- I cannot stand longer than 10 min without increasing pain.
- I avoid standing because it increases pain immediately.

Walking

- I have no pain while walking.
- I have some pain while walking but it doesn't increase with distance.
- I cannot walk more than 1 mile without increasing pain.
- I cannot walk more than 1/2 mile without increasing pain.
- I cannot walk more than 1/4 mile without increasing pain.
- I cannot walk at all without increasing pain.

Personal Care

- I do not have to change my way of washing or dressing in order to avoid pain.
- I do not normally change my way of washing or dressing, even though it causes some pain.
- Washing and dressing increases the pain but I manage not to change my way of doing it.
- Washing and dressing increases the pain and I find it necessary to change my way of doing it.
- Because of the pain I am unable to do some washing and dressing without help.
- Because of the pain I am unable to do any washing and dressing without help.

Changing Degree of Pain

- My pain is rapidly getting better.
- My pain fluctuates but is definitely getting better overall.
- My pain seems to be getting better but improvement is slow.
- My pain is getting neither better nor worse.
- My pain is gradually worsening.
- My pain is rapidly worsening.

Sleeping

- I get no pain in bed.
- I get pain in bed but it does not prevent me from sleeping well.
- Because of pain my normal sleep is reduced by less than 25%.
- Because of pain my normal sleep is reduced by less than 50%.
- Because of pain my normal sleep is reduced by less than 75%.
- Pain prevents me from sleeping at all.

Lifting

- I can lift heavy objects without extra pain.
- I can lift heavy objects but it causes extra pain.
- Pain prevents me from lifting heavy objects off the floor.
- Pain prevents me from lifting heavy objects off the floor, but I can manage if they are conveniently positioned (e.g. on a table).
- Pain prevents me from lifting heavy objects off the floor, but I can manage light to medium weights if they are conveniently positioned.
- I can only lift very light weights.

Social Life

- My social life is normal and gives me no extra pain.
- My social life is normal but increases the degree of pain.
- Pain has restricted my social life and I do not go out very often.
- Pain has restricted my social life to my home.
- Pain has no significant affect on my social life apart from limiting my more energetic interests (e.g. dancing, etc).
- I have hardly any social life because of the pain.

Traveling

- I get no pain while traveling.
- I get some pain while traveling but none of my usual forms of travel make it worse.
- I get extra pain while traveling but it does not cause me to seek alternate forms of travel.
- I get extra pain while traveling which causes me to seek alternate forms of travel.
- Pain restricts all forms of travel except that done while lying down.
- Pain restricts all forms of travel.
